

Students get to win **cool prizes** just for looking after the school yard!

If you love something, you would take great care of it... wouldn't you?

I LOVE

A program that rewards students who are looking after our school yard.

ALBION NORTH

The raffle ticket goes into a box called 'I Love Albion North' located in the office. The raffle tickets are drawn at school assembly every Monday morning.

Students are given a raffle ticket when the teacher on yard duty sees the student putting their rubbish in the bin.
