

Year 6 2022

4th October 2021

Dear Parent/Carer,

Albion North Primary School is looking forward to another great year of teaching and learning and would like to advise you of Albion North Primary School's **voluntary** financial contributions for the 2022 school year.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to improve our STEM and library resources, provide sporting equipment for classrooms and present special activities to the children such as author visits and multicultural performances.

Attached to this letter is an outline of the items we provide for your child throughout the year. The total amount for Year Six 2022 students is \$160.

Details of how to pay can be found at the end of this document.

For further information on the Department's Parent Payments Policy please see a one-page overview attached. Or please refer to the school's website for the full document.

Yours sincerely,

Jean Bentley PRINCIPAL

Simon Greatwood SCHOOL COUNCIL PRESIDENT
